This program provides professional, confidential telephonic or face-to-face counseling services (five sessions per person, per plan year) to you and your household members at no cost.

MetLife Legal Plan Legal insurance gives you access to a network of attorneys for a variety of legal needs, including estate planning, financial matters, real estate matters, defense of civil lawsuits, family law, traffic offenses, document preparation and review, immigration assistance, juvenile matters and consumer protection. For more information, ask your benefits coach how to enroll.

Identity Theft Insurance Identity Theft Insurance, offered through InfoArmor/Allstate Identity Protection, provides credit monitoring and fully managed identity restoration services should you or an immediate family member become a victim of identity theft. This will help you remain productive at home and at work while your identity is restored to pre-theft status.
