Providence Little Company of Mary
Medical Center
Torrance, CA

Program Match Number 222513

Providence is calling.

Providence Little Company of Mary Medical Center in Torrance is a non-profit community hospital located in the South Bay Area of Southern California (20 miles south of downtown Los Angeles) with 377 licensed beds. Our Centers of Excellence Include our Heart Center (24 hour intervention and Open Heart Surgery), JCAHO accredited Stroke Center, Women's and Maternal Health, and Neonatal ICU. Our Candidacy Status one-year PGY1 Pharmacy Residency Program is designed to fulfill the accreditation standards developed by the American Society of Health-System Pharmacists (ASHP). ASHP Accreditation is pending. We are looking for highly skilled and motivated new graduates who want to train to be pharmacists in an acute care setting with an emphasis on pharmaceutical care.

The Residency program is designed to develop practitioner excellence in the provision of patient-specific, evidence based care and will focus on the development of knowledge and skills needed to become a competent and confident practitioner. Graduates of this program will be prepared to:

1. Manage and improve the medication-use process.
2. Provide evidence-based, patient-centered medication therapy management with interdisciplinary teams.
3. Actively participate in the medication reconciliation process
4. Exercise leadership and practice management skills.
5. Demonstrate project management skills.
6. Provide medication and practice-related education/training
7. Utilize the Electronic Health Record for data gathering as well as communicate with other practitioners
8. Advance the Practice of Pharmacy
9. Qualify for a PGY2 Residency
10. Qualify to precept future residents and students

The pharmacy department provides 24 hour care and offers a broad range of clinical services including Order Verification, Profile Review, Antimicrobial Stewardship, Pharmacokinetic and Anticoagulant consult services, TPN consults and monitoring, Drug Information, Code Blue Participation, admission and discharge Medication Reconciliation and Discharge Counseling.

Learning Experiences are designed to allow the resident to develop the necessary skills to succeed in acute care practice.

Rotations include but are not limited to: (*core rotation)
