PLACES**

At Kodiak, our employees ARE our greatest asset. This is why we created an industry-leading suite of benefits that provides the resources to help you recharge, rest easy, and feel supported.

Thanks to our **Perks for Work & Life Program**, all eligible employees have access to generous rewards and a multitude of quality, affordable benefit choices to fit your needs. You'll earn more than a livelihood; you'll earn the freedom to enjoy life without worry.

We believe in personal and financial well-being for today and the future.

We recognize and reward your contributions through performance-based pay.

We focus on growth and development to help you succeed.

We offer a variety of quality and affordable choices to fit your lifestyle.

The "Kodiak Way" instills a partnership between our 4 main pillars; our employees, our stakeholders, our customers, and our vendors. When you add all 4 together, you get an industry-leading runtime of 99.5%+.

Working here gives me the sense of being a part of something bigger than just an employee.

Kodiak gives me the tools and options I need to balance my life with work.

I enjoy working for a company that truly values its employees and community.

Kodiak cares about their people and proves it with great pay and benefits.

Competitive Pay & Short-Term Incentives

From competitive market-based pay to a robust short-term incentive program, we provide financial incentives that honor your value, recognize your achievements, and provide motivation to succeed.

Health Care

We believe in taking care of our employees and their families. That's why we assist with the cost of all involuntary insurance premiums (health, dental, and vision) for you AND your family.

401k

The rewards of your hard work should be enjoyed well beyond your working years. Kodiak's 401(k) plan provides a variety of investment options and financial-planning resources to help you save for retirement.

Paid Time Off

We ensure you have the right work-life balance by offering an integrated single bank of paid time off that allows flexibility for you, your manager, and your team.

Short-Term/Long-term Disability

Whether an accident or illness occurs, Kodiak offers our employees disability insurance to protect against their loss of income at no out of pocket cost to the employee.

Life Insurance

If something should happen to you, we want your family to be covered. We offer life insurance to our employees and their families at no charge, with the option of purchasing supplemental coverage at a competitive group rate.

Tools to Succeed

Kodiak employees receive all the tools needed to be successful in their role, including job specific training and mentorship opportunities.

Education Reimbursement

Kodiak values development and growth. We offer Education Reimbursement for certified technical training or college classes related to your current role, or to develop for a future role.

And More

The perks don't end here. Kodiak provides access to voluntary benefits and believes in giving back to the employees by hosting team building, culture building, and volunteer opportunities throughout the year.
